

CONSTRUCTION LEADERS

INVITATION TO BID

Project: **I-84 Sandy River – Jordan Road**
Bid Date/Time: **February 18, 2010 at 1:30 p.m.**

Estimated Contract Value: \$75,000,000.00

PCL is requesting scope of work by Tuesday, February 16, 2010 at 4:00 P.M. for this project.

Please note: PCL is signatory to trade unions for work involving carpenters, laborers, operators, and cement masons.

Description of work: Sandy River bridges will be replaced with four span steel box girder bridges. Each bridge will consist of three 12-foot lanes and two 12-foot shoulders. Eastbound bridge will include a 16-foot wide multi-use path on the south side. Bridges will be founded on large drill shaft foundations. As a seismic mitigation, ground modifications will be required on the West approaches. Construction within the ordinary high water of the Sandy River will be limited to allowable in-water-work window of July 15 through August 31. Includes construction of the interior bents for the permanent bridges. Work to be finished by November 30, 2013.

We are requesting bids from subcontractors and suppliers, including Minority, Women, Disadvantaged and Disabled Veteran owned businesses for the following: Shoring engineers, crane/pile equipment rental, traffic control, surveying, temporary barriers, aggregate supply, RIP RAP, trucking and hauling, bridge demo, earthwork, subgrade and roadbed, erosion and sediment control, caissons, utility services/water/sanitary, reinforced concrete pipe, inlets and manholes, asphalt pavement/milling, striping/pavement marking, sidewalks, curbs & gutters, irrigation system, fences & gates, guard rails/attenuators, formwork supplier, reinforcing steel-supplier/installer, post-tensioning, concrete supplier, concrete pumping, concrete sawing/drilling, handrails & railings, traffic signs, landscaping, expansion joint assemblies, slide bearings, lumber & building material supplier, waterproofing, stone columns, structural steel, driven piling, sheet piling, coatings for concrete & steel, ductile iron pipe, roadway lighting & signalization, communication & data systems.

Documents are available for order on ODOT's website: www.odot.state.or.us/ffp/hwy/opd/contracting_odot.html
These documents are also available at PCL's office in Bellevue, WA.
